Introduction: ‘*All Ireland Sources*’ is a monthly newsletter distributed free by E-mail to Family History Societies and interested researchers near the end of each month. Distribution by Australia Post each three months (three issues) costs \$6.00 annually within Australia. The aim is to bring items of interest regarding Irish record sources to the Australian genealogist. The editor would appreciate being made aware of records relating to the Irish, particularly those held in Australia or new in the LDS Family History Library. Back copies available free for downloading from www.sag.org.au Note new email address.

Newspaper Indexes to Biographical Notices: by the late Rosemary ffollott
[continued from page 48, Vol. 11, No. 12, December 2009]

All notices for the areas covered by the above publications extracted, as well as notices relating to other Munster counties, and to counties Galway, Mayo, Roscommon, Leitrim, Longford and King's (Offaly).

'ALL IRELAND SOURCES NEWSLETTER'

Between the two titles, then, almost all of the surviving eighteenth-century notices for the southern half of the country are extracted, along with a large proportion of notices up to 1821-1827, and most of the entries relating to Connacht, south Leinster and Munster which were picked up and reprinted by the Dublin papers.

All in all, the two works constitute a magnificent work of scholarship. Unfortunately, neither is as widely available as it should be. The National Library and Cork City Library hold manuscript copies of the Cork and Kerry index (National Library Mss 19172-5). [Limerick Archives](#) has a copy of the more extensive Limerick, Ennis, Clonmel and Waterford index. Copies can also be found in the library of the [Society of Australian Genealogists](#) on 35 mm film reel SAG No. 8179. Please use this film to give me some feedback.
