

JANETTE PELOSI - VICE-PRESIDENT

I've been on the Society's Board since 2012, having joined the Society in 1979. I'm a professional archivist, librarian, and historian.

I was the original Convenor of the Croker Prize for Biography Committee and am the current Convenor of the Diploma and Certificate Committee, where I'm actively involved in supervising candidates and marking submissions. I am also the Convenor of the Collections Committee.

I'm a First Fleeter descendant and a family co-ordinator for the John Nichols Family Society.
